

# Merry Christmas

The last few weeks in school have been busy but full of Christmas spirit.

For the children there have been moments of excitement and fun as well as time to reflect, pray and think of others at this time.

The Christmas performances were an absolute pleasure to watch and made extra special that we could share them with so many of you live! The children have shown how resilient and confident they are despite the disruption to normal school life for nearly 2 years.

Please visit our Twitter feed to see photos of the Christmas activities.

If Covid guidance for schools changes over the Christmas break I will inform you all as soon as practical. We have a range of contingency plans in place should they be needed.

Can we please request that all children take a Lateral Flow test before they return to school in January to help minimise disruption and try to limit the spread of Covid at the start of the term.

Thank you for the exceptional support that you have given me and the school this term.

I hope that all of our Hale CE families have a happy and healthy Christmas.

Mrs Emma Fenton
